Gas Meter SK25EX

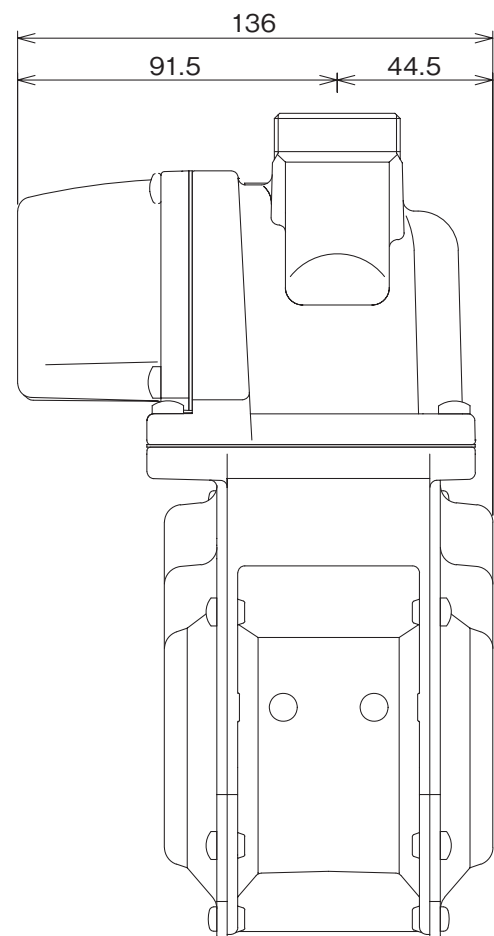

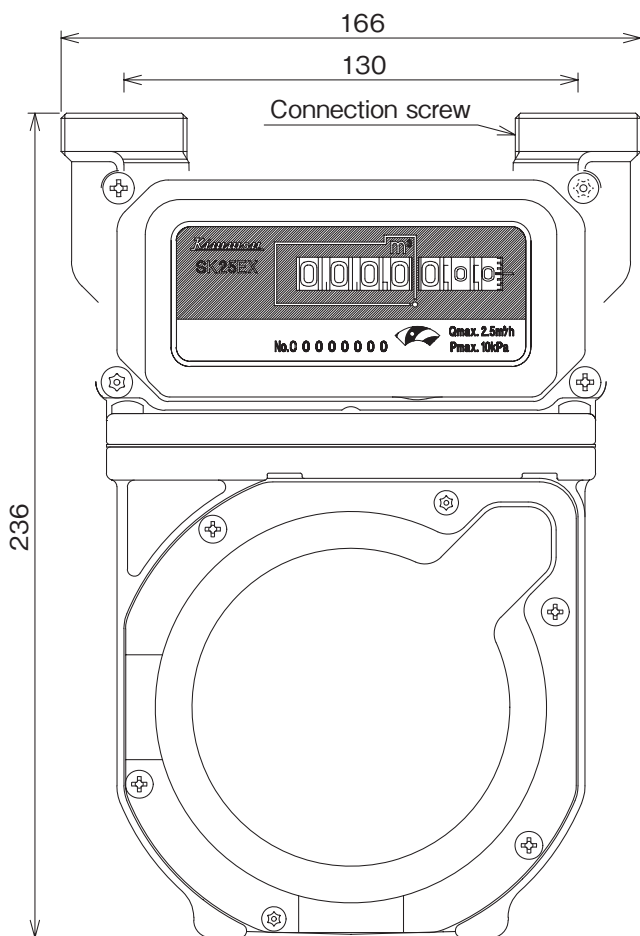

Azbil Kimmon Co., Ltd.

Gas Meter SK25EX

SK25EX is exclusively produced for our important customers outside of Japan. SK25EX maintains “ Made in Japan ” quality and simplifies a complex architecture required by Japanese Gas Acts. This effort launches a compact, light and affordable gas meter for versatile gas flow measurement. Please note that the consultation by our specialist shall be required for a measuring gas other than LNG, LPG, Air and Inert Gases.

Type		SK25EX			
Usable fluid		L.N.G	L.P.G	Air	Inert Gas
Qmax.	m ³ /h	2.5			
Qmin.	m ³ /h	0.016			
Sensitivity flow rate	m ³ /h	0.003			
Pmax.	kPa	10			
Working temp.	°C	-25 ~ 55			
Max. index vol.	m ³	9999			
Min. unit	L	0.2			
Cyclic volume	L/rev.	0.7			
Instrumental error	%	Qmin. ~ less 0.1 Qmax.: ± 3.0 0.1 Qmax ~ Qmax.: ± 1.5			
Connection size		15mm/20mm			
Connection screw		M36 × 2			
Weight	kg	1.7
